

OYSTERS

quantity, pcs price, UAH

OSTRA REGAL SPECIAL 1 **290**
Whitebait is taken from oyster parks in France, and oysters itself are grown in Ireland, territory full of phytoplankton. Ostra Regal have matchless taste with a sweet aftertaste. Connoisseurs call it oyster with a Ireland spirit and French touch

GILLARDEAU 1 **290**
A distinctive feature of this variety of oysters is its dense, even meaty consistency and the perfect balance between taste and saltiness. Many gourmets note the sweet and fruity notes of Gilardeau oysters, often with an aftertaste of watermelon and nutmeg. They leave a certain pleasant tartness on the tongue and an unforgettable sensation.

SPECIALES BREUIL IMPERIALES 1 **290**
During three years this oyster is being grown in Marennes-Oléron in West French coast. From the very first, shellfish has salty-tart taste with a long strongly-marked sweet taste

CANADIAN LOBSTER

weight, g price, UAH

Canadian lobsters live in cold shallows among the cliffs and other places, where it is possible to hide from predators. They usually live in fifty meters under the water, but they also can be found in the depth of four hundred fifty meters. They are known with their sweet taste, tender meat, giant claws and hard shells.
